

Workshop: New Markets for Space! New Concepts for Space?

Organised by DGLR-Fachausschuss R1.1 Satelliten und Raumsonden

Date: 04.11.2016

Place: Institute for Space Technology at Technical University of Berlin
Marchstrasse 12-14, Room F129

| Start | End | Agenda | Speaker | Affiliation |
|-------|-------|---|------------------|----------------------------|
| 09:30 | 09:45 | Welcome Coffee | -- | -- |
| 09:45 | 09:50 | Welcome Speech | Zizung Yoon | TU Berlin |
| 09:50 | 10:20 | Introduction & Round Table | Farid Gamgami | DGLR |
| 10:25 | 11:05 | Design and AIV for New Space - New Rules? | Stephan Roemer | Astro- und Feinwerktechnik |
| 11:10 | 11:50 | Agile Aerospace | Robbie Schingler | Planet |
| 11:55 | 12:35 | Towards Mass Manufacturing of Small Satellites | Tom Segert | Berlin Space Technology |
| 12:35 | 13:20 | Lunch | | |
| 13:20 | 13:50 | Facility Tour | Zizung Yoon | TU Berlin |
| 13:50 | 14:30 | Open Discussion | | |
| 14:30 | 15:10 | PublicTelescope – How to drive Digital Transformation in Space Technology | Ralf Belusa | Astrofactum |
| 15:10 | 15:50 | Small Satellites for Earth Observation and for Technological Experiments | Winfried Halle | DLR Berlin |
| 15:50 | 16:30 | Mega Constellations and Space Debris | Jonas Radtke | TU Braunschweig |
| 16:30 | 16:50 | Wrap Up | Farid Gamgami | DGLR |
